

Blickpunkt Straßenbahn berichtet seit mehr als 35 Jahren über aktuelle Entwicklungen im elektrischen Stadtverkehr. Die Zusammenstellung erfolgt durch ehrenamtliche Redakteure „vor Ort“ in den jeweiligen Städten und Regionen. Fast alle unsere Mitarbeiter sind im örtlichen Nahverkehr „verwurzelt“ und in historischen Nahverkehrsvereinen aktiv. Zwar wollen wir nichts an unserer Zeitschrift verdienen, aber Druck und Versand kosten halt Geld, das wir nur hereinbekommen, wenn Sie Blickpunkt Straßenbahn regelmäßig im Buchhandel kaufen oder - noch besser und günstiger - im Abonnement beziehen. Ein Abonnement kostet einschließlich Versand 24 € im Jahr (Ausland 27 €). Wenn Sie noch kein regelmäßiger Käufer oder Abonnent sind, überlegen Sie doch bitte einmal, ob Ihnen die Zukunft von Blickpunkt Straßenbahn nicht monatlich 2 € wert ist. Und noch etwas: Jeder, der bei uns als Redakteur mitmachen möchte, ist herzlich willkommen. Geld gibt es dafür nicht, aber es macht Spaß, seine Meldungen oder Fotos abgedruckt zu sehen. Je mehr Informationen wir bekommen, desto besser unsere Berichterstattung. Interesse? Schreiben Sie uns, wir melden uns bestimmt. In diesem Sinne freuen wir uns auf neue Leser und auf neue „Kollegen“.
